**NEWS RELEASE**

**July 25, 2019**

South Bay Road, SUDBURY – Yesterday NDCF Chairman Peter Edmunds thanked three organizations that provided a combined \$6 500 in donations to bring kayaks for kids to Lake Laurentian, namely:

- |  |         |
|--|---------|
| ➤ The Sudbury Community Foundation     | \$2 500 |
| ➤ The Gord and Pat Slade Heritage Fund | \$2 500 |
| ➤ Adventure 365                        | \$1 500 |

Staff at the Lake Laurentian Conservation Area recently purchased ten kayaks, along with paddles and required safety equipment. All of the items were purchased locally (Ramakko's, Canadian Tire South, Evans Lumber) and included materials to construct a storage rack. The kayaks will be integrated into future programming for children.

Joining Peter were Alexandra Curry from the Sudbury Community Foundation, Melissa Anderson from Adventure 365 and Sheilah Arena, NDCF Executive Member. Fred Slade, representing the Gord and Pat Slade Heritage fund sent best wishes.

Some of the kids attending this week's session of Camp Bitobig were excited to give the kayaks their first voyage on the waters of Lake Laurentian. Most camp sessions are sold out but [a few spots remain for \*Parmi les branches, 6 au 9 août\*.](#)
